World Public Library: Technically, the World Public Library is NOT free. But for \$8.95 annually, you can gain access to hundreds of thousands of books in over one hundred different languages. They also have over one hundred different special collections ranging from American Lit to Western Philosophy. Worth a look.

Power Electronics Daniel W Hart

I have taught power electronics at a university since 1993. Dr. Hart explains complicated ideas and calculations in an easily understood manner. He relates his descriptions and procedures well to junior and senior undergraduates. I have more than a dozen distinct power electronics textbooks, including four copies of Dr. Hart's book.
