## Online Library Real Rape

Rape depicted in film is a controversial subject, one that attracts a lot of debate. "The fact is that rape happens every six minutes. I think that's why it's starting to infiltrate movies so much, because it's really part of our world, and it's a part of our world that we never really wanted to look at before.

Ms. Estrich also wrote 'Real Rape,' a book about the clinton-clinton-Broadrick kind of rape. But that was before she was tapped by the clinton machine to cover for... and revise the predatory history of... a couple of real rapists. 'Simple rape' is what the system calls this clinton kind of rape... Simple as opposed to aggravated.
